

Hackathon Execution Roadmap

Timeline, Deliverables, and Operational Ownership

MILESTONE	DATE	ACTIVITY DESCRIPTION	OWNERSHIP
Registration Deadline	25 March	Finalize and close the portal for all participant registrations. Perform initial data cleanup.	Program Manager
Concept Submission	17 April	Deadline for teams to submit initial Concept Notes. Verify all submissions meet entry criteria.	Operations Lead
R1 Shortlist Announcement	24 April	Complete initial screening of concept notes and announce first round of shortlisted teams.	Review Committee
Artifact Submission	15 May	Deadline for shortlisted teams to submit detailed Project Artifacts (design docs/ prototypes).	Technical Lead
R2 Shortlist (Top 10)	05 June	Evaluation of technical artifacts. Selection and announcement of the Top 10 Teams.	Jury Panel
Final Solution Submission	26 June	Final deadline for teams to submit completed code, demo videos, or working solutions.	Technical Lead
Jury Round	TBA	Live presentation or final judging session where the Top 10 teams pitch to the panel.	Executive Jury
Winner Announcement	TBA	Final scoring consolidation and public announcement of the hackathon winners.	Program Sponsor

Strategic Note: This roadmap is backdated based on the "Hackathon Flow & Timeline" visual guide. Subsequent phases (Jury Round and Winner Announcement) are currently set to TBA and should be finalized at least two weeks prior to the Solution Submission deadline.
